

## PHONETIC ZOO LAP-BOOK DIRECTION

### Materials:

- 2 manila file folders
- 2 card stock pages
- Misc. colored paper
- Clear Packing tape
- Spelling zoo cards (to make cages)

NOTE TO SELF: should have used colored folders, put A cage on top card stock page not on bottom

### Directions:

1. Fold both sides of a manila folder to meet in the middle (male- female part). Do the same to second folder.

2. Glue folders “male” parts together (by days of week in picture above). The lap-book base is now complete, now to decorate.

3. Close the folders flat and paste title. You can also raise the title to higher on the page and paste the directions here too.

6. Close bottom flat up and glue down Homonym Corrals (black/brown in picture below)

7. Close top flap down and glue down "E cares"

8. Glue down "Personal spelling list" (cut in to thirds) on the male and female sides as shown above. Your lap-book is now complete.
